Village of Blasdell needs to downsize

I would like to comment on the issue concerning downsizing the government in Blasdell. As a resident for nearly 40 years, I feel this is necessary. As a senior citizen, this would help. Those of us on fixed incomes would benefit. This was brought up years ago when my late husband was vice president of the Blasdell Taxpayers Association, which no longer exists. I am on board with Kevin Gaughan. I am sure the people of the village would agree.
